been an exciting one.

stehestor this morning is about one undred and fifty thousand dollars.

Killed by Lightning.

CHICAGO, July 25 .- A fire at Dobuque,

## becoming colat. IN POPE COUNTY.

Radical cup to the dregs. No somer is peace restored in one county than war n its worst form breaks out in another Pope county is the latest scene of wees unnumbered. Every dire calamity that the most incendiary, villainous and murderous of mots can beget have fol-lowed in so unit's succession from the his posse that the innecent people have become panic-striken, and fied from their homes, preferring to abandon crops and houses rather than endure the treating to the property of the property from the property disgraces the bench and the Governor sends arms to the murderers, who, thus encouraged, threaten the extermination of all who are not of them and with them. There is, therefore, no possible safety save in flight. The President Wille, with H. M. Jacowy, of this place. Thomas A. Hanks, of Bluffton, was apsident would willingly interfere were these outrages reported as emanded as emanded in the possible speech with the contract of the possible safety save in flight. The President would willingly interfere were these outrages reported as emanded in the possible speech with the possible speech with the next two weeks.

There is, therefore, no possible safety save in flight. The President would willingly interfere were these outrages reported as emanded in the possible speech with the next two weeks.

The place of Little Hock, and Wilson Club was organized to-night with Hon. William Dennison as President, who will accept the position in a public speech within the next two weeks.

Thomas A. Hanks, of Bluffton, was apsiled bere for a day or General Gents, of Little Hock, and Wilson Club was organized to-night with Hon. William Dennison as President, who will accept the position in a public speech within the next two weeks.

Thomas A. Hanks, of Bluffton, was apsiled bere for a day or College to A. Grant and Wilson Club was organized to-night with Hon. William Dennison as President, who will accept the position in a public speech within the next two weeks.

The president would will provide the outrageous conduct of Rev. General Rocks, School of the city lost week, stating that he was going to Toledo to arrange for the arrival of his with Hon. William Dennison as President, who will accept the position in a public speech within the next two weeks.

Thomas A. Hanks, of Bluffton, was apsiled bereau to the contract of the city lost week, stating that he was going to College the city and the contract of the city ley's election we have it in this and the and good will" center in Greeley, who,

bits country, by himself or through others, is met a dealer in tobacco and that a person who buys and exports, it remaining his property untill arrives in a foreign country, is not a dealer in tobacco under the law. Likewise, a party who simply huys tobacco for and in the name of a party in a foreign country, and ships it to the owner the party buying the tobacco being at no time the owner of it, is not regarded as a dealer in tobacco. It is also decided that fine-cut chewing tobacco in the only kind of tobacco that is allowed to be put up in packages of ten, twenty, forfy and subject to the country, when the persons to buy or sell-scene being at mountry, offy and subject to the country when the persons to buy or sell-scene being at mountry, and ships it to the owner the party buying the tobacco being at no lime the owner of it, is not regarded as a dealer in tobacco. It is also decided that fine-cut chewing tobacco in the only kind of tobacco that is allowed to be put up in packages of ten, twenty, forfy and skry pounds each.

The Commissioner declines to allow persons to buy or sell-scene belong at the most approved and moulk as a business. He states that the law imposes a tax of twenty cents per pound on refuse scenes of arms were sent out from builk as a business. It is the first the formal country, the pound on refuse scenes of arms were sent out from that we miscall the provision of the law which, under certain regulations, etc., directly to another manufacture, is an exception to the general multiple country, is not a dealer in the fash of the law which, under certain regulations of Tonto Hend.

The commissioner of Tonto Hend. A pound in the fash relation of the trops and manufacture in the fash of the law which, under certain regulations of Tonto Hend. The reson and the manufacture is manufacture. All this being doubt the manufacture is manufacture in the fash of the law which, under certain regulations of the law which, under certain regulations of the law which, under certain regulations of the law wh

facturer, is an exception to the general rule, and is intended simply as an accommodation to allow a manufacturer to dispose of his own acrajes.
